The Nutcracker Ballet

Young Ballerina Workshop for Ages 5, 6 and 7

The Nutcracker Ballet *Young Ballerina Workshop* is an excellent opportunity to try something new and experience the wonder of a full ballet production.

The Kathy McCrohon Dance Center has a tradition of producing the wonderful Nutcracker Ballet each year, celebrating the season with the treasured score by Tchaikovsky, lovely costumes and beautiful choreography.

The cast of The Nutcracker Ballet is comprised entirely of KMDC students ranging in age from 5 to 18. There are over 25 dances in the production! Older students are cast based on level and past experience. Dances are choreographed by KMDC staff and are performed either *on pointe* or flat depending on the level of students in the dance.

Performances are held at the beautiful *Sorenson Center for the Performing Arts* at Babson College in Wellesley.
